Notice of Cancellation of Physical Meeting and Notice of Electronic Meeting

In view of the current situation in Europe, EUROSAF's Executive Board has decided to refrain from holding a physical General Assembly in Zagreb on 12 March 2022. With war in Europe, we do not consider it appropriate to travel, meet each other, and dine together during these times. This was not an easy decision and we very much regret that, once again, current circumstances that amount to force majeure do not allow for a meeting in Croatia.

Therefore, the EUROSAF Executive Board, in consultation with our host, the Croatian Sailing Federation, has decided to cancel the physical meeting scheduled for 12 March in Zagreb and replace it with an electronic meeting following article 13bis of the Constitution.

The Electronic General Assembly will be held on the same date and time as the original physical meeting and will follow the same published Agenda. Relevant documents were sent on 10 February 2022. Matters on the Agenda will be discussed by means of the Zoom meeting platform on 12 March 2022 from 9.30h CET. Any matters not resolved during the meeting will be put to a vote by email, open to all Members in good standing from 14 to 18 March 2022.

Delegates having booked their stay should cancel their hotel reservation promptly to avoid being charged for late cancellation. The EUROSAF Executive Board is aware that delegates and, indeed, the Croatian Sailing Federation may incur other charges, as most Executive Board members will.

The EUROSAF Executive Board regrets having to come to this decision and so close to the meeting, but understands it is the most sensible one in current circumstances.

Best regards,

Doris Gstatter, Secretary General
