REPORT OF THE AUDITORS Ordinary General Assembly 2023

Helsinki/Vienna, 24 February 2023

Dear members of the EUROSAF Ordinary General Assembly 2023,

based on generally recognised auditing standards, **we did conduct a limited revision** of the accompanying financial statements of the European Sailing Federation (EUROSAF) as of December 31st, 2022, which comprise the balance sheet on that date and the income and expenditure account the year then ended.

The treasurer is responsible for the preparation and fair presentation of these financial statements. This responsibility includes designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; making accounting estimates that are reasonable in the circumstances; and providing the auditors with all relevant documents and information.

Our responsibility is to express an opinion on these financial statements based on our limited revision. We conducted our revision to obtain reasonable assurance that the financial statements described are free from material misstatements in view of the accounts presented and their supporting documents, which were composed of a statement of issued invoices, documents for expenditures, and a list of bank transactions.

We have thoroughly reviewed the documents and statements provided by the treasurer Timo Haß and believe that the evidence we obtained is sufficient and appropriate to provide a basis for our limited revision opinion.

In our opinion, the financial statements present fairly, in all material respects, as per documents provided, the financial position of EUROSAF as of December 31st, 2022, and its financial performance for the year then ended.
