25th Ordinary General Assembly

Addition to Agenda

Taking into consideration the current situation in Ukraine, the IOC and WS recommendations, and the EUROSAF statement issued on 3 March 2022, the Executive Board and the Legal Committee chair consider it is necessary and urgent to add the following item to the agenda of the forthcoming General Assembly to be held online on 12 March 2022:

Ratification of the “EUROSAF statement concerning war in Ukraine” of 3 March 2022 (enclosed) and giving authority to the Executive Board to amend it and terminate it according to the development of the situation and to IOC and WS recommendations.

As for other agenda items, this item will be put to a formal vote by email, unless ratified by general assent during the meeting.

The Executive Board believes bringing this item to the General Assembly for a formal decision is not only necessary to allow for a full discussion, but also essential to comply with the democratic decision making established by EUROSAF Constitution.

Please ensure that the information is forwarded to the relevant persons, in particular your delegate at the General Assembly.
