Links to the individual events can be found on the websites of EUROSAF ([www.eurosaf.org](http://www.eurosaf.org)) and the International 420 Class Association ([www.420sailing.org](http://www.420sailing.org)).

### 3. ELIGIBILITY AND ENTRY

#### 4. EVENT NOTICE OF RACE, SAILING INSTRUCTIONS AND FURTHER INFORMATION

Each individual event will produce an individual notice of race and individual sailing instructions including all necessary information.

#### 5. SERIES SCORING

5.1 Three races are required in an individual event to constitute an overall score to be scored for the final score of the Cup.

5.2 For the purposes of determining the ranking in the Cup, the event series scores of each valid individual event of the series shall be calculated as follows:

$$P = f * 100 * ((s + 1 - x) / s)$$

5.2.1 Definition of letters:

P: points for the individual event

f: factor of the individual event (combination of number of entries and number of races sailed)

s: number of boats, that have been scored according to RRS A4 in at least one race

x: final rank of the boat in the individual event

5.2.2 Factor f will be calculated as follows:  $f = w + t + 1$

w: number of races sailed divided by 200

t: if s (number of boats) is 100 or more: t = 0,2 / if s is less than 100: t = (s - 10) / 450

5.2.3 For calculating the number of boats and the final ranks at an individual event an extract of the events series score will be used that comprises of the teams born in 2004 or later (for the under 19 boys/mixed and girls scoring) or only of the teams born in 2006 or later (for the under 17 scoring); if boys/open- and girls-divisions sail in separate fleets the number of boats for the under 17 scoring will be the sum of the teams born in 2006 or later of both fleets.

5.3 To score the Cup overall ranking, results will be based on a team's performance. Change of helm or crew will result in a separate score for each combination.

5.4 A minimum of 15 boats from a minimum of three MNAs of EUROSAF must be scored in each fleet (see NoS 5.2.3) of an individual event for this event to be scored for the Cup.

5.5 The final Cup ranking will be the total of a team's **three** best results calculated according to NoS 5.2. The winner will be the team with the highest overall score in the final Cup ranking.

5.5.1 If boys/open- and girls-divisions sail in separate fleets, these scores will be used for the calculation of the events series score of an individual event except for the under 17 scoring where the separate scores will be combined by using the events series scores to grade the teams.

5.5.2 If fleets are not separated at an individual event, the calculation of the final score will be done by first separating the different fleets as an extract of the overall score. In a second step the final score of the individual event will be calculated according to NoS 5.2.

#### 6. MEDIA RIGHTS

Upon registration to an individual event of the Cup competitors agree that photos and videos may be taken of their person and used as part of EUROSAF's and the International 420 Class Association's public relations activities, e.g., via websites, newsletters, print and tv media and social networks. In addition, competitors or their guardians grant to EUROSAF and the International 420 Class Association without compensation the unlimited right to use images, photographs, television, and radio material produced of them during the event.
