

EUROPEAN SAILING FEDERATION

Possible change to membership fees and categories

Situation

Article 34.2 of the Constitution states that “the amount of the membership fee shall be differentiated for the Members according to the membership categories of WORLD SAILING”.

World Sailing has seven different categories differing in the amount of the membership fee to be paid. The actual membership fees of EUROSAF provide for three categories with a spread from 235,- Euro to 825,- Euro with the middle category of 585,- Euro being approximately 2,5-times the minimum fee and the highest category being approximately 3,5-times the minimum fee.

Possible change

The proposed change covers two conditions. Firstly, all membership fees are calculated from one basic amount, secondly, the introduction of two additional categories of membership fees allows for a better division, which is based on the categorization of World Sailing.

The new categorisation and calculation of the membership fee, starting from a basic amount, could be as follows:

basic amount				
x1	x2	x3	x5	x8
AND	BLR	BEL	AUT	ESP
ARM	BUL	GRE	DEN	FRA
AZE	CRO	HUN	FIN	GER
EST	CYP	ISR	IRL	GBR
ISL	CZE	RUS	NOR	ITA
LAT	LTU	TUR	POL	NED
MLT	MON		POR	SWE
MNE	SLO		SUI	
ROU	SRB			
SMR	SVK			
	UKR			

The calculation of the relevant fee in each category is then based on the basic amount that will be decided by the General Assembly.

Proposal

The Executive Board proposes to set up a working party which includes the treasurer, one additional member of the Executive Board and three persons proposed by the Members, preferably representing Members in each of the actual categories to prepare a proposal for the Executive Board to be put on the vote at the next General Assembly.

Sample calculations

Please find three sample calculations illustrating the changes for the individual members in green (reduced fee) and red (higher fee). All three calculations would lead to a more or less lower income in membership fees (2020: 22.110,- Euro).
